

## January 2021 – School Opening Arrangements

School is open to the children of critical workers, those who are vulnerable and children in nursery. For **all** pupils attending school, the school day will **start at 8:45am and end at 3:15pm**. The school kitchen remains open and you can order lunch as normal.

Staff are divided into two teams and children will be taught in one of their year group's classrooms by a teacher from their year group whenever possible.

When arriving in the morning, children will be greeted by a member of staff and can go straight into school through the following entrances:

- **Nursery:** drop off/pick up at the door to Nursery in the Warwick building.
- **Reception:** Mona playground (by the steps that lead up to EYFS)
- **Year 1:** Mona playground (outside the Y1S classroom)
- **Year 2:** Mona playground (by the ramp leading into school)
- **Year 3:** Western playground (via the steps by the trim trail)
- **Year 4:** Western playground (via the steps by the trim trail)
- **Year 5:** Western playground (via the steps by the bike shelter)
- **Year 6:** Western playground (via the steps by the bike shelter)

At the end of the day, children will be brought out to be collected from the same locations.

## Wraparound childcare

Our Breakfast club is open for anyone who needs to drop off children early – please contact the school office to book your child a place via [enquiries@westways.sheffield.sch.uk](mailto:enquiries@westways.sheffield.sch.uk)

Westways After School Club (WASC) is also open – please contact them directly on [wasc1999@gmail.com](mailto:wasc1999@gmail.com) to book a place or for more information.

## Please remember...

**Do not send your child to school if they, or someone in your household, has symptoms of Covid-19 or is getting a test.**

**You should not send your child if they have any Covid-19 symptoms as follows:**

- **a high temperature** – this means you feel hot to touch on your chest or back
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

If you or your child have any of the main symptoms of coronavirus:

1. **Get a test** to check if you have coronavirus as soon as possible.
2. **Stay at home** and do not have visitors until you get your test result – only leave your home to have a test.

## Home Learning

We have created a Google Classroom exclusively for each class. Staff have been working hard to upload home learning resources and activities, under the 'Classwork' tab, to complete at home.

To sign in and access the free service 'Google Classroom' (<https://classroom.google.com/>), pupils use their own individual Google account created by school – parents/carers have been sent a letter via ParentPay with these details.

If you encounter any issues accessing Google Classroom then please [click here](#) to refer to a guide for support. Alternatively, please contact your child's class teacher via email at [enquiries@westways.sheffield.sch.uk](mailto:enquiries@westways.sheffield.sch.uk)
