

Covid

Please remember the current guidance for schools states...

Do not send your child to school if they have symptoms of Covid-19 or are getting a test.

You should not send your child if they have any Covid-19 symptoms as follows:

- **a high temperature** – this means you feel hot to touch on your chest or back
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least one of these symptoms. If you or your child have any of the main symptoms of coronavirus:

- 1) Take a PCR test to check if you have coronavirus as soon as possible.
- 2) Stay at home and do not have visitors until you get your test result – only leave your home to have a test.

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

School Meal Change – Thursday 20th January 2022

School have to produce a census to the Department for Education three times a year, which determines the amount of funding each school receives.

Part of that funding is calculated by the amount of school meals infant school children have on the day of the census. This Thursday 20th January 2022 is census day and in order to encourage all of our KS1 (FS2, year 1 and 2) children to have a school meal, we have changed the menu to the following:

Thursday 20th January

Orange option – Classic Friday fish and chips

Purple option – Crispy vegetarian fingers and chips

Yellow option – Jacket potato with cheese, baked beans or tuna mayo

There will be no Green option

Friday 21st January

Orange option – Mild Piri Piri chicken & lentil bake with mixed rice

Purple option – Tomato, basil and courgette pasta bake

Green option – Mild Piri Piri halal chicken & lentil bake with mixed rice

Yellow option – Jacket potato with cheese, baked beans or tuna mayo

We will be preparing meals for all of our KS1 children to try, but they can still bring their own packed lunch, if they so wish. This menu will also be available to KS2 (years 3-6) children.

New Spring/Summer Menu

Our new Spring/Summer menu 2022 will start in January 2022. Please follow the link to view our new menu.
