2026-27 Dates for your diary

Dear Parent/Carer,

As has become customary at this time of year, we have put together this letter where you will find a list of dates to make a note of for the upcoming academic year. We understand that this is a lot of information to share with you in one go, however the hope is that it gives you time to make arrangements so you can attend as many of these events as possible. Please pay particular attention to the 'Where?' column in the table, as meetings and events will be held in different spaces across the school site over the course of the year. Further information regarding each meeting or event listed will be shared with you nearer the time.

Please note: there is a possibility though that some of these dates may need to change and new events could be added to the list during the school year. However, as always, we will try our best to share any changes with you in a timely manner through our usual communication channels which include letters, our [website](#) (including the [calendar](#)), and of course, the [Westways Weekly](#).

Kind regards,

Charles

Autumn Term
