### Photograph Consent

Dear Parent/Carer,

At Westways Primary School, we sometimes take photographs of pupils and may then use these for school related purposes.

To help us identify the type of consent we have from you with regards to photographs of your child, we adopt the following traffic light system:

- **Green:** this means you **do** give consent for us to take photographs of your child and use them for school related purposes only (e.g. for display boards around school, for online learning journals in the Early Years Foundation Stage, the [school's website](#), newsletters, publications such as newspapers, etc.)
- **Red:** this means you **do not** give consent for the school to take photographs of your child and use them for school related purposes.

To let us know whether you do or do not give consent to take photographs of your child for school related purposes, please complete and return the slip below or use the link below to complete the Google Form:
