Updated: 2025-26 Dates for your diary

Dear Parent/Carer,

Please find below an updated version of the list of dates to make a note of for the academic year ahead - to make this easier for you to spot the changes, we have highlighted these for you.

We understand that this is a lot of information to share with you in one go, however the hope is that it gives you time to make arrangements so you can attend as many of these events as possible. We ask that you pay particular attention to the 'Where?' column in the table, as meetings and events will be held in different spaces across the school site over the course of the year. Further information regarding each meeting or event listed will be shared with you nearer the time.

Please note: there is a possibility though that some of these dates may need to change and new events could be added to the list during the school year. However, as always, we will try our best to share any changes with you in a timely manner through our usual communication channels which include letters, our website (including the calendar), and of course, the Westways Weekly.

Kind regards,

Charles
