

# What happens in Autumn?

Focus: Knows some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends or family.  
Comments and asks questions about aspects of their familiar world such as the place where they live or the natural world.

## Which animals hibernate?

- Hedgehogs
- Badgers
- Bees
- Butterflies
- Ladybirds

- ### Global Goals
- uniqueness and value of every person
  - similarities and differences between self and others

## How has the world around us changed from the Summer?

The leaves change colour from green to oranges, reds and yellows and begin to fall from the trees.

The weather becomes cooler and we have to wear coats, wellies, jackets, hats and gloves.

## British Values

What makes a good community?  
Making friends, living and working together, caring and sharing, listening and looking after the environment.

## Red Words

my the I no to go
