Dear Parent/Carer,

To further improve the communication between school and our families, particularly during this difficult time, I would like encourage you to engage with our school Twitter account if you have not done so already. Our Twitter handle is [@WestwaysPrimary](https://twitter.com/WestwaysPrimary) and the account is used to draw attention to new content on the school website and share important information.

As stated previously, we would like to encourage the school community to engage with our Twitter profile in a **respectful manner**, making sure any replies/comments to our tweets are **positive**. School **does not** respond to replies/comments made, therefore if you have a question, then please contact us via the school office, telephone, the school website or by emailing enquiries@westways.sheffield.sch.uk.

Thank you for your continued support,
