

World Autism Awareness Week 2021

29 March
- 4 April

This is an important week when people come together to talk about differences.

What is autism?

Autistic people experience the world differently.

Meet the Trummies

Meet the Trummies – a collection of colourful characters that have different ways of reacting to the world.

Helping others

We will be thinking about different ways to help support people who see the world differently and are having a difficult time.

Our aim is use a set of 'good rules' in school.

Five good rules for autism friendly schools.

Why do we have rules in school?

To keep people safe and healthy, to make things fair.

What rules we already follow in our school?

How you can help

The Trummies are going to introduce five good rules we could use to support people with autism.

Give people time to think and answer questions.

Support people who find change difficult.

Understand people get anxious about new places and faces.

Help keep lights low and the sound down.

If someone's having a bad time ...

... give them a smile and help them feel fine.
