

Nursery News

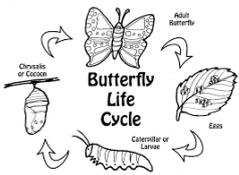

WELCOME BACK!

We hope you all had a restful half term and are looking forward to the new term ahead. We are excited to welcome all the caterpillars back to Nursery.

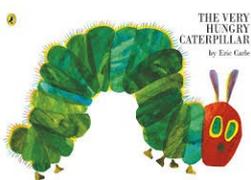

How things change?

Our theme this term is 'How things change?' We will be looking closely at the world around us, as well as celebrating how the children have changed and grown in their time at nursery. The children will be learning all about the life cycle of a butterfly and will have their own caterpillars to look after in class! The children will also be growing their own beans and planting vegetables in the outside area.

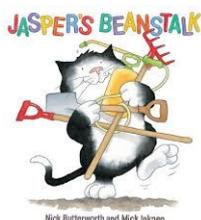

The children will be learning all about the life cycle of a butterfly and will have their own caterpillars to look after in class! The children will also be growing their own beans and planting vegetables in the outside area.

Our key stories this half term are:

The Very Hungry Caterpillar by Eric Carle

Jasper's Beanstalk by Nick Butterworth

Whatever Next! By Jill Murphy

June 2021

Who works in Nursery?

The class teachers are Mrs Ford who works Monday, Tuesday and Wednesday and Miss Sibbald who works Wednesday, Thursday and Friday. The teaching assistants are Miss Sava and Miss Bradley.

Tapestry and Learning Journals

Don't forget to check Tapestry for photos and observations showing what your child has been doing at Nursery. The children really enjoy seeing pictures of themselves having fun and showing all the wonderful things they do and make. Please also feel free to add your own photos showing what your child has been doing at home, if they have celebrated a birthday or if they have done something they are really proud of we would love to hear all about it!

Donations: spare clothes needed!

If you have any clothes that your child has grown out of, we would be grateful to have them for our spare clothes box. We are in desperate need of socks and boys trousers (3-4 and 4-5).

Outside Play

In Nursery we spend time outside whatever the weather! Playing outside has many benefits and is an important part of your child's learning. It will help your child to develop physically, as well as offering a wide range of opportunities to learn about the natural world and develop their social skills.

Please ensure your child comes dressed appropriately for the weather and has a bag with spare clothes in case they get wet. **Please label all clothes with your child's name.**

As the weather is getting warmer please apply sun cream to your child before they come to Nursery.

Healthy Lunches

Please remember we try to be a healthy school and packed lunches *should not* include chocolate, crisps and sugary drinks. For example, a healthy packed lunch would include a sandwich or pasta salad, fruit, a yogurt and water.
